SPECIAL CONDITIONS:

ADJUSTMENT TO SUPERVISION:

Mr. Green commenced supervision in the District of Columbia where he currently resides and is being supervised.

Mr. Green's overall level of compliance remains unsatisfactory. Thus far, Mr. Green has paid \$25 towards his Court-ordered financial obligation, despite having been provided with instructions on multiple occasions, verbally reprimanded, and informed of the consequences of failing to comply. While he remains unemployed, it is unclear if he has other sources of income.

Further, Mr. Green failed to enroll in ASAP as instructed. As a result, he was referred to drug and alcohol treatment at Community Connections, Inc., where he has been receiving life skills, career counseling, housing assistance, and mental health services since 2017. He is currently engaged in mental health counseling and medication management due to his diagnoses of Post-Traumatic Stress Disorder.

The supervising probation officer in the District of Columbia reports close collaboration with Mr. Green's case manager and clinical care coordinator to address his participation in treatment. However, given his lack of overall progress and pending expiration date of January 20, 2022, the probation officer believes Court intervention is warranted at this time, especially considering he previously received the benefit of a No Court Action Violation Report on October 29, 2021, for similar conduct.

**RE: Green, Montrell M.**

**VIOLATIONS:** The following violations are submitted for the Court's consideration.

**SPECIAL CONDITION #1:                      FAILURE TO SATISFACTORILY PARTICIPATE IN AN  
ALCOHOL TREATMENT PROGRAM.**

On August 4, 2021, Mr. Green began participating in drug and alcohol treatment at Community Connections, Inc. Due to lack of attendance and discrepancies at Community Connections, Inc., he was discharged as unsuccessful.

On October 21, 2021, Mr. Green was allowed re-admission into the drug and alcohol treatment at Community Connections, Inc. He participated in four sessions between October 21, 2021, and November 11, 2021. However, Mr. Green failed to participate in treatment until December 15, 2021.

**SPECIAL CONDITION #4:                      FAILURE TO PAY FINE AS DIRECTED BY THE  
PROBATION OFFICER.**

Having been ordered by the Court to pay a \$150 fine, a \$30.00 processing fee, and a \$10.00 special assessment fee, as to Count 9697441, to be paid by March 21, 2021, Montrell M. Green has failed to comply.

As of January 7, 2022, he has an outstanding balance of \$200.25.

A \$25.00 payment was processed on May 22, 2021. Of that amount, \$10.00 was credited to satisfy his special assessment fee, and the remaining \$15.00 credited towards his fine. Due to his failure to pay by the instructed date, interest was assessed to his total amount.
